General Information > Read Carefully > Registration link at the end:

Athletes only need to attend ONE ID Camp and it does not matter which location you chose. If you are travelling out of your home zone, please feel free to attend a different zone camp.

This year we are specifically identifying athletes for the 2024 Alberta Zone Championship and year two leading to the 2025 Canada Summer Games, as well as Top 30 and Alberta Selects tournament opportunities.

Athletes from any baseball program in Alberta are eligible to attend Talent ID Camps.

2024 Talent ID is open to players age 14, 15 and 16 (birth year 2008, 2009 and 2010) - Male and Female athletes.

You must attend a Talent ID camp to be eligible to participate in AABC programming.

If you are planning to attend an ID camp, you must submit an online registration and non-refundable payment of \$21.00 (\$20.00 + GST).

Registration will close at midnight, the day before each respective camp so we can finalize camp lists.

If you are selected for a 2024 Alberta Zone Championship team, you will be notified by telephone, by the Head Coach for the applicable zone or the AABC Provincial Coach.
